**A. Languages:** The department claims no library support is required as they maintain a language lab for student usage. However, the library acquires selectively materials in foreign languages at the request of the faculty.

**B. Chronological Coverage:** Emphasis is upon current materials, but no period is excluded from consideration for the collection.

**C. Geographical Coverage:** Primary emphasis is upon art history generally, with special focus upon art in the non-western world, as well as graphic design elements from around the world.

**D. Types of Materials:** Includes encyclopedias, handbooks, directories, dictionaries, exhibit guides and catalogs, periodicals, bibliographies, biographies, illustrated works, monographs, and journals.

**E. Imprint Date:** Current-imprint publications receive priority. Selective retrospective publications are purchased in available formats as funding permits.

**F. Physical Format:** Hardback, paperback, serials, audiovisuals and computer software are collected. Electronic format materials are collected selectively.

**G. Treatment of Subject:** Scholarly materials are the primary emphasis for the collection.

**H. Place of Publication:** Primarily the United States. Imprints from other countries will be considered, however, primary emphasis will be placed on English language publications. Foreign language materials will be acquired upon request of the faculty.

**I. Acquisition Plans Affecting English / English Literature:**

**1.) Standing Orders:** Due to budget reductions in the mid-1990s, all standing orders in all fields were cancelled.

**2.) Approval Plans:** None.

**J. Major Assessment / Selection Tools:** *Books for College Libraries*; *MLA*; Sheehy, Eugene P. *Guide to Reference Books*; Katz, Bill *Magazines for College Libraries*; *Choice Magazine*; *Booklist*; GOBI New Title Announcement Slips.

Assessments are conducted doing a comparison of the library holdings with those of the following peer institutions: Austin Peay State University (TPA), Columbus State University (GCO), Jacksonville State University (AJB), McNeese State University (LHA), Radford University (VRA), University of Louisiana-Monroe (LNE), University of North Alabama (ANO).

**K. Weeding / Replacement:** A major weeding was conducted in 2011 to remove damaged, superseded, out of date items, and those items which did not reflect the institutional curriculum. Following this, weeding has been kept to a minimum except to replace superseded, updated or damaged items. For damaged items, efforts will be made to replace those materials. Discussions between the library liaison for the area and the department will take place to determine if an electronic copy of the title will be an acceptable replacement.
